

Information about SzámlaPlusz service

The purpose of the new bill preservation service of Díjnet Zrt. called SzámlaPlusz is to provide opportunity to preserve all your bills older than 18 months in Díjnet system in organized and secure manner. If you order our SzámlaPlusz service we preserve and grant accessibility to your bills beyond the 18-months free period. The detailed description of the service can be found in Chapter 12.5 of the Díjnet GTC.

The fee of the SzámlaPlusz service can be found in Annex 1 of the effective Díjnet GTC. **The annual fee is 1 490 HUF gross (1 173 HUF + VAT).** The payment of the fee can be initiated from the online interface of Díjnet under the Payment tab of the prepayment request where you can also initiate an individual bank transfer by the data given.

SzámlaPlusz service is valid for a fixed term: the service year is a full calendar year which starts on 1 January and ends on 31 December of the same year. If you order the service between 1 January and 15 January then the service period starts on the day of the order. You can request the SzámlaPlusz service again year after year, in which case your bills will be preserved and accessible in your Díjnet account regardless of their issue date.

Díjnet Zrt. still preserves and stores your electronic bills free of charge within the 18-months period starting from the issue date of the bills, furthermore you can download your bills accessible in Díjnet system anytime free of charge as well.

In case you do not order SzámlaPlusz service Díjnet Zrt. proceeds according to the following:

- every started year you will have access only to those e-bills (for free) that were issued and presented within the last 18 months. Those bill that are older than 18 months counted from 1 January of the present year will be deleted until 31 March of the present year according to the Articles 12.3.1.10-11. of the Díjnet GTC.

In case you are already using the service preceeding the reporting year we automatically renew your SzámlaPlusz contract according to the 12.5.2.5 chapter of the GTC unless you noted an opposite request in writing to Díjnet Zrt. or you cancelled the service on the Díjnet website. In case of automatic renewal we automatically generate the prepayment request related to the reporting year. After paying the automatically generated prepayment request related to the reporting year the SzámlaPlusz service is renewed without further request. You can pose your questions, comments, and complaints to Díjnet Zrt. through any of the ways indicated in Chapter 17.1 of the Díjnet GTC. In relation to the Díjnet services you can turn to Reconciliation Board, detailed information can be found [here](#). In relation to the Díjnet services we do not have a Code of Conduct defined by the law concerning the prohibition of unfair business-to-consumer commercial practices.

In connection with SzámlaPlusz service a separate contract is concluded between you and Díjnet Zrt. on an electronic request according to the Chapter 12.5 of the Díjnet GTC when you order the SzámlaPlusz service under DíjnetPlusz menu item.

According to the 45/2014. (II. 26.) Government Decree (Fogykr.) for the detailed rules concerning the contracts between the consumer and the enterprise you are entitled to withdraw from the contract within without giving reasons 14 days after making the contract or to terminate the contract if the service period has already begun. You can exercise your right of withdrawal/termination by means of

the declaration sample included in Annex 2 of the Fogykr. or by an appropriate clear declaration. In case of withdrawal or termination Díjnet Zrt. transfers all fees back without delay, and continues to provide its services as if the contract concerning the SzámlaPlusz service would not have taken place.

You can find more information about the data management related to the SzámlaPlusz service in the Data Management Information of Díjnet (<https://www.dijnet.hu/en/adatkezelesi-tajekoztato.html>).
